PGA of America

Re: Nathan Charnes
General Manager, WingHaven Country Club

To Whom It May Concern:

Please accept this correspondence as my full endorsement of Nathan Charnes as a candidate for Secretary of the PGA of America. I have had the pleasure of working with Nathan during my 20 years with the Metropolitan Amateur Golf Association (MAGA) and as Executive Director since 2008.

WingHaven Country Club as a Member Club and Nathan's leadership have been staunch supporters of MAGA through these years. They promote and support the GHIN Handicap Service that we provide to our 150+ member clubs in our region.

More so, as a host facility, Nathan and WingHaven have hosted MAGA Championships and USGA Qualifying Rounds when regularly asked. Additionally, annually the last few years, WingHaven CC has been a host to one of our Amateur Series events.

St. Louis is a unique setting with several other organizations conducting events and championships annually, Nathan and WingHaven have continually entertained requests from these other organizations as a host facility.

Lastly, as I like to say about organizations and their leaders, Nathan and WingHaven "just get it" when it came to doing their part in supporting the organizations that support them. As a leader with the Gateway PGA, Nathan valued the two organizations working together as well.

Thank you for allowing me to submit this letter of support for Nathan and I believe he would be an extremely worthy candidate for Secretary of the PGA of America.

With kind regards,

Curt Rohe
Executive Director
