PGA of America

Re: Nathan Charnes  
General Manager, WingHaven Country Club

To Whom It May Concern:

Please accept this correspondence as my full endorsement of Nathan Charnes as a candidate for Secretary of the PGA of America. I have had the pleasure of working with Nathan during my 15 years with the Missouri Golf Association as Executive Director.

Over the past 15 years I have witnessed WingHaven CC become one of the strongest and most vibrant clubs in Missouri. The Clubs growth and strong culture is due to the unwavering leadership and guidance of Nathan Charnes.

WingHaven CC has hosted many MGA Championships over the past 15 years and every time Nathan, and his members have welcomed the MGA and our members with open arms every time. I believe it's because he understands the importance to help us to promote the best interests and true spirit of the game of golf.

The game of golf and the PGA of America are very fortunate to have a golf leader like Nathan Charnes involved and entrusted in the game that we love to play and be a part of. Nathan Charnes would be a great asset to the PGA of America's Board. I could not be prouder of the type of leader Nathan has become, but more importantly what a great person he is.

Thank you for allowing me to submit this letter of support for Nathan and I believe he would be a great asset to the PGA of America.

All my best,

Scott Hovis  
Executive Director
