Dear Nathan,

It is my pleasure to support your candidacy for the 2022 PGA Secretary. As President of the St. Louis Women's District Golf Association, it was my pleasure to work with you at the 2021 STLWDGA Susan E. Shepard Charity Golf Tournament. I found you to be a solid leader with your staff and very respectful of all our volunteers. Your generosity towards our charity showed me that you are a man of integrity. I also noticed you were always quick to offer assistance to those around you, including my team. You were easy to work with and I look forward to more tournaments at your club in the future.

I sincerely wish you the best of luck with your candidacy. The PGA would be very lucky to have you on their Board of Directors.

Sincerely,

Barbara Witbrodt  
STLWDGA President, 2022
