Secretary Rea:

On behalf of the entire Georgia PGA section membership, it is with great pride that we offer this letter of support for Mr. Nathan Charnes, PGA as a candidate for the office of Secretary of the PGA of America.

While there are undoubtedly three remarkable candidates for the office of Secretary, the Georgia PGA feels as though Nathan's preparation and presentation at the Super Regional in Atlanta best demonstrated the knowledge and perspective necessary to lead the PGA of America in the future.

Like all the candidates, Nathan has served at each and every level, and we feel as though he has a deep understanding of the challenges and opportunities that lie ahead. The Georgia PGA is confident he will use his unique experiences and demeanor to best represent all 29,000+ PGA members and associates, and we look forward to working closely with Nathan as we look to better serve our members here in Georgia.

Respectfully submitted,

Cary Brown, PGA
