Secretary Rea,

This letter should serve as an official notice of support for Nathan Charnes for the office of Secretary of the PGA of America. On behalf of the Northeastern New York PGA Section Board of Director's and our 180 Section Members and Associates we believe Nathan has the leadership skills to lead the Association.

Nathan is very representative of our own NENY PGA Section members and understands much of the daily professional challenges each PGA member deals with. His service at both the section and national level along with his extremely astute knowledge of the Association's financial state from his service on the Budget Committee make him extremely prepared for service as an Officer of the PGA.

As Nathan has moved forward with his campaign, he has garnered an incredible amount of support which help to validate his candidacy. We are confident Nathan will act in the best interest of the membership as a whole.

The Northeastern New York PGA Section is pleased to support Mr. Nathan Charnes for the office of Secretary of the PGA of America.

Sincerely,

Rich Scott, PGA
